A TRIBUTE

The 1977 Echo wishes to thank Mr. Issac Miro for his 8 years of service to Lisbon Central. He was born and raised in Cuba. After graduating from high school he attended Vibora Institute, Cuba where he attained his BA and BS degrees. He taught school for a while and then entered the University of Havana, Cuba, where he received his Doctor of Law degree in 1960

He came to the United States and worked in Miami for awhile. He then attended Fairleigh Dickinson University, Rutherford, N.J. graduating in 1967. He then entered Potsdam State to achieve his masters degree for teaching. He worked his way through by teaching in Chateaguay Central. He graduated in 1969 and he and his wife became naturalized citizens in August 21, 1969.

Since 1969 he has been teaching the beautiful Spanish language to high school students. He is of great value to his students since he not only teaches the language, but adds many colorful aspects of the Spanish people and their history. Thank you Mr Miro
